What is the Annadata Sukhibhava Scheme?

The Annadata Sukhibhava Scheme is a farmer welfare initiative launched by the Andhra Pradesh Government on 2 August 2025. It is an upgraded version of the earlier YSR Rythu Bharosa scheme. Under this scheme, the Andhra Pradesh Government provides ₹14,000 per year to eligible farmer families.

Along with ₹6,000 provided under PM-Kisan, eligible farmer families receive a total of ₹20,000 per year. The amount is paid in three installments and transferred directly to Aadhaar-linked bank accounts through DBT.

The scheme supports land-owning farmers as well as eligible tenant farmers with a valid Crop Cultivator Rights Card (CCRC). Its main purpose is to help farmers manage expenses such as seeds, fertilizers, and labour before the cropping season.
